1. About GNIOT Institute of Management Studies (GIMS)

1.1 The Institute

GNIOT Institute of Management Studies (GIMS), Greater Noida/ Delhi NCR offers Post Graduate Diploma in Management (PGDM) approved by AICTE and Ministry of Education, Govt. of India. PGDM is the flagship programme of GNIOT Group which opens a new world of opportunities for the students. Our emphasis is on holistic development of the students. Interdisciplinary approach is implemented in the teaching-learning process and research. At GIMS, our endeavor is to treat every student as an individual, to recognize their potential and to ensure that they receive the best preparation and training for achieving their career ambitions and life goals. We aim at producing not only good professionals but also good and worthy citizens of a great country, aiding in its overall progress and development.

1.2 Vision

To become a widely acclaimed management school contributing towards management education and research for developing (a) business leaders having social concerns and (b) centres of excellence in all functional areas of management.

1.3 Mission

- M.1 To develop a dynamic outcome-based teaching learning process.
- M.2 To develop an ecosystem for fostering research.

1.4 Programme Educational Objectives (PEOs)

Programme Educational Objectives are the statements that describe the career and professional accomplishments that the programme is preparing the students to achieve. They also signify the expected achievements of the postgraduate students in their career and what the students are expected to achieve after the first few years of their programme.

PEO Statements

After completing their course from GIMS a student shall be:

- PEO 1 Ethical Career Progression and Social Engagement.
- PEO 2 Continuous learning and research bent.
- PEO 3 Responsible human beings.

1.5 Programme Outcomes (POs)

Programme Outcomes are the narrow statements that identify the skills, competencies, knowledge and professional conduct that the student acquires through the programme. They describe what the students are expected to know and be able to do at the end of each course.

PO Statements

PO1	Understand fundamentals of all functional areas of management.
PO2	Apply the management knowledge to take better decisions for various given business scenarios.
PO3	Critically understand the business problems and find right management tool to solve them.
PO4	Demonstrate values, ethics, leadership and teamwork.
PO5	Higher employability quotient.

2. The Programme

2.1 About the Programme

PGDM (**Idea to Execution**) offered at GNIOT Institute of Management (GIMS) is the flagship programme of GNIOT Group which provides contextual learning and empowers the students with the knowledge and skills to tackle the grand challenges being created by industry. The curriculum includes **innovation, experimentation and entrepreneurship**.

2.2 About the Course

The programme offers dual specialization in Marketing, Organizational Behavior & Human Resource (OB & HR), Finance, Operations & Supply Chain Management (OSCM), Artificial Intelligence & Business Analytics (AI & BA), International Business (IB) and Entrepreneurship & New Age Startup. The trimester system is being implemented. The first and second trimester comprise of core subjects and the elective courses are offered from the third trimester onwards.

The pedagogical methods for teaching include lectures, case studies, project work, field work, Quizzes and simulations etc. These methods are further augmented by online certification programmes from different providers, group discussions, role-plays, movie screenings and industrial visits. To ensure effective learning, the institute leverages these latest technologies to make the teaching-learning process more experiential and participative, integrating the benefits of group-based learning. The programme is crafted in such a manner that academic rigor is maintained. The students are continuously evaluated in their performance. The teaching pedagogy helps students to experience the management predicaments and empower them to make decisions on real time scenarios. Additionally, corporate connect is maintained through regular interactions with the industry experts.

Workshops participation in conclaves, co-curricular activities etc., encourage learning for a deeper academic and practice-based foundation. Analytical skills are developed amongst the students which help them in enhancing decision making capabilities. The philosophy of GIMS is to "Bridge the Gap between Classroom Wisdom and Business Realities" and make the GIMS students' industry oriented. At GIMS, we believe work-life balance tips the scales in your favour when you venture into the corporate world. Keeping this in mind, we ensure our students have the chance and therefore the means to pursue their talent and spend time doing the co-curricular activities.

We also encourage students to participate in welfare activities. Besides "giving back" to society, it also provides the inspiration for CSR activities, which are rapidly gaining importance in the corporate world.

At GIMS, the emphasis is to impart a global perspective by molding the students to manage situations of economic, institutional and cultural differences across countries. The pedagogic innovations break the silos and integrate the varied domains of management to supply students with a holistic view. The curriculum also addresses the subsequent issues which are of paramount importance for management students

- The curriculum and the pedagogy at GIMS are enriched and equipped with all the modern-day requirements of Industry i.e quipped with Case-based methods of teaching, simulation exercises, trading, real-life projects, flip classrooms, presentations, quizzes, co-curricular management festivals/ activities.
- The uniqueness of the curriculum is that it is covered through Functional training, under which the students are empowered to face the challenges of the corporate world and take on leadership roles in the future.

3. Academic Administration and Procedures

3.1 Attendance

- 3.1.1. It is mandatory for all the students to be regular and punctual in all the classes.
- 3.1.2. Attendance will be taken in every class by a roll call by the instructor. The students must ensure that their presence in the class has been recorded by the instructor. Any unauthorized absence from the class by a student will be considered an act of indiscipline by them.
- 3.1.3. Attendance percentage calculation is based on the total number of classroom sessions held, each of 60 minutes, for one course. This can be prorated for courses with different credit units or of different classroom session durations.
- 3.1.4. All the students are required to have a minimum of 75 percent attendance in each course to be eligible to write the End-Term Examination.
- 3.1.5. Students should have minimum 80% attendance in Learning & Development session.
- 3.1.6. A student must inform the PGP Office in writing if they have to miss (or have missed) the classes for any reason. However, this does not signify approval for/of missing classes. This is for information purpose only.
- 3.1.7. Email submissions shall not be entertained related to leaves, OD etc. It has to be submitted in hard copy approved by the respective mentor.
- 3.1.8. Absence without intimation or prior permission from the PGP Office will be considered as a breach of discipline.
- 3.1.9. A student may be officially allowed to participate in events and activities i.e. (placements, competitions, etc. (internal or external) during the regular classes only after the approval of competent authorities. The student must submit OD form in the PGP Office. However, it may be noted that such absence should not be more than 30 percent of the classes held in the respective course.

- 3.1.10. The faculty will be free to adopt any measure to regulate attendance, and penalize the absence, to ensure smooth and undisturbed learning in the class.
- 3.1.11. A seminar/workshop/guest lecture/interface with top industry professionals shall be arranged on a regular basis. It shall be a mandate for all the students to attend these sessions and attendance will be marked.

3.2 Leave on Medical Grounds

- 3.2.1 Absence on account of any medical indisposition will be counted as absent only. No weightage shall be given while attendance calculation at the time of examination. However, for serious ailment/medical exigency of a concerned student, leave of absence can be granted by the appropriate verification of the medical condition. The medical and the leave has to be approved by the faculty mentor and final approval of the exigency to the satisfaction of the Executive Director.

3.3 Leave of Absence from the Programme

- 3.3.1 The student may be permitted under extraordinary circumstances to take a leave of absence for a term or a year depending on the circumstances to be judged by the Executive Director/Director on a case-to-case basis. On returning, the student will however be required to pay the fee as per the fee structure prevailing at the time of re-joining the Programme. All students seeking leave of absence are required to make a formal request to the PGP office- GIMS. The Institute reserves the right to approve or reject a request for the leave of absence and such decision is final and binding on the student.

4. Examination & Evaluation

GIMS follows **an outcome-based education system** for maintaining the quality of teaching learning process. The purpose of the Examination is to assess the outcomes established at the beginning of the particular course also named as Course Outcome and the depth of students' knowledge in the particular course. The Examination is also used as an evaluation tool to benchmark the students' performance for the award of the PGDM Diploma completion certificate.

4.1 Evaluation Scheme:

- 4.1.1. Teaching learning process of the PGDM Programme is spread across six trimesters (terms) each term is followed by an end-term examination.

4.1.2. The evaluation scheme is structured with two components (i) Internal assessment and (ii) end- term examination.

4.1.3. Internal assessment (comprises 40% weightage) is a continuous evaluation process spread over the contact hours of delivery of the course. The components of internal assessment may vary from course to course. However, there are seven approved components of internal assessment by the academic advisory board; the faculty may choose any four components for internal assessment out of seven. These components can be exercised during the course training module.

The components of internal assessment are as follows:

1. Quiz
2. Individual/Group Presentation or Flip Class
3. Field Project
4. Assignments
5. Case Study Discussion
6. Class Test
7. Role Plays
8. Certifications
9. Simulation
10. Mid Term Examination

4.1.4. End-term examination (comprises 50% weightage) is a trimester-based papers' assessment having a duration of two hours. This is a mandatory examination for all the students to determine their grades and eligibility for certification or promotion to the next academic level.

4.1.5. Course and credit - A student is required to complete all the 67.5 credits of the courses in the first year of the Programme and 49.5 credits of the courses in the second year of the Programme. Out of the total 129 credits, 117 credits are earned from core & electives and remaining 12 credits as an SDL (Self Directed Learning) can be earned by choosing any two items from the table given below. However, for the award of the Diploma out of total 129 credits a student has to earn minimum 126 credits including the SDL. In case the student is unable to clear their backlog after a repeated attempt (end term and two supplementary examination), they may be exempted in one course (max. 3 credits) identified and communicated by the institute from a pool of courses and shall be allowed for the award of Diploma with an F Grade. **Maximum 2 attempts for supplementary shall be given to any student.**

Each SDL credit earned should be duly approved and forwarded by the concerned mentors along with the proof of the same to Dean-Examination for the result preparation.

4.1.6. The institute follows a Relative Grading with 8-point scale (2024) in place of absolute point grading system with 10-point grading scale.

Grade	Description	Grade Point
O	Outstanding	8
A+	Excellent	7
A	Very Good	6
B+	Good	5
B	Above Average	4
C+	Average	3
C	Below Average	2
P	Pass	1
F	Fail	0

The TGPA is calculated at the end of each term, while the CGPA is a cumulative calculation in successive trimesters.

TGPA:-

$$TGPA = \frac{\sum \text{GradePoint Earned} \times \text{Credits for each course}}{\text{Total Credits}}$$

CGPA:-

$$CGPA = \frac{\sum \text{Total Credit Earned (term-1)} + \text{(term-2)} \dots \dots \dots \text{(term-n)}}{\sum \text{Total Credit (term-1)} + \text{(term-2)} \dots \dots \dots \text{(term-n)}}$$

Percentage:-

$$[(TGPA/CGPA) \times 12.5] - 2 = \%$$

- 4.7.6. A candidate using an authorized electronic device in an examination is responsible for its operation. Any failure or malfunction of the device will not constitute grounds for a deferred examination or other special arrangements.
- 4.7.7. If any student is found indulging in any kind of in-disciplinary act during the examination, the invigilator can declare use of 'Unfair Means (UFM)'
- 4.7.8. In such cases of students being declared as using UFM, the invigilator will confiscate the answer sheet of the student with UMF instrument attached with it and write their remark on the answer sheet of UFM. Further, the invigilator will issue a new answer sheet to the student to write the exam. No extra time will be provided to the student in such a UFM case.
- 4.7.9. Confiscated UFM case answers should be submitted by the invigilator to the EXAM cell separately. It is the invigilator's discretion to decide whether there is enough reason to remove a student from the examination hall owing to disorderly conduct. Any malpractices observed during examination are to be reported to the Dean Examination immediately and action would be taken as per examination rules of the Institute.
- 4.7.10. The Institute takes no responsibility for the security of any personal materials of students left within or outside an examination room.

4.8 Interruption to Examinations

- 4.8.1 Where an examination is affected by an unprecedented interruption (for example, a power failure, computer/software malfunction, earthquake, security threat, fire alarm etc.) the invigilator will implement appropriate immediate action. Minor disruptions to an examination, for a period of 15 minutes or less, will be accommodated by the provision of an equivalent period of additional time added to the end of the allocated examination time by the approval of Dean Examination. Dean Examination will determine the appropriate course of action in the event of a significant disruption to an examination. A significant disruption may include repeated minor disruptions in the same examination session.
- 4.8.2 In the event of an evacuation of an examination venue, the invigilator in consultation with Dean Examination, Executive Director and Director will determine which of the following outcomes will apply, with consideration to minimizing disadvantage to the students.

5. Corporate Resource Center (CRC)

5.1. Objectives & Scope:

Corporate Resource Centre (CRC), GIMS, Greater Noida, has been formed with an objective to facilitate the summer internships, winter internships, final placements, industrial visits, guest lectures, live projects and other relevant corporate linkages required by the institute. CRC facilitates the placement of the students to various organizations. The meaning of facilitation must be clearly understood here. It does not imply that the CRC assures placement to all the students of PGDM. Successful placement of a student largely depends on the character/strength, conduct, confidence, domain knowledge, personality, etc.

The CRC primarily helps organize the company-student meeting/interview before their selection takes place. Thus, the onus of getting appropriate placements is on the students themselves. To maximize their placement prospects, the students must be sincere in all the academic, extra and co-curricular activities throughout their tenure at the Institute. The CRC department supports the students:

Personalized Advice: Provides individual career counselling to help students identify their career goals, strengths, and areas for improvement.

Industry Insights: Offers insights into various industries, job roles, and career paths to help students make informed decisions.

5.1.1. Skill Development:

5.1.1.1 **Workshops and Training:** Organizes workshops on resume writing, interview skills, networking strategies, and professional communication to enhance students' employability.

5.1.1.2 **Soft Skills Development:** Focuses on developing essential soft skills, such as leadership, teamwork, and problem-solving, which are critical for career success.

5.1.2. Internship and Placement Facilitation:

5.1.2.1 **Sourcing Internships:** Secures summer internship opportunities with various companies and organizations.

5.1.2.2 **Internship Management:** Assists students in finding relevant internships, ensuring they meet academic requirements and provide valuable industry experience.

5.1.3. Placement Drives:

5.1.3.1 **Recruitment Events:** Organizes on-campus/off-campus recruitment drives, including pre- placement talks (PPTs), interviews, and selection processes.

5.1.3.2 **Company Liaison:** Acts as the intermediary between students and potential employers, facilitating smooth communication and coordination.

5.1.4. Industry Relations (Building Partnerships) :

5.1.4.1 **Corporate Network:** Establishes and maintains relationships with industry leaders, companies, and recruitment agencies to create placement opportunities.

5.1.4.2 **Industry Collaboration:** Collaborates with companies to understand their hiring needs and tailor the training programs to meet those requirements.

5.1.5. Guest Lectures and Seminars:

5.1.5.1 **Industry Exposure:** Organizes guest lectures, workshops, and seminars by industry experts to provide students with real-world insights and trends.

5.1.5.2 **Networking Opportunities:** Creates opportunities for students to interact with industry professionals, enhancing their networking skills and industry connections.

5.1.6. Placement Process:

5.1.6.1 **Structured Approach:** Manages the entire placement process, including job postings, application handling, and scheduling interviews.

5.1.6.2 **Feedback Mechanism:** Collects feedback from both students and employers to continuously improve the placement process and address any issues.

5.1.7. Training Programs:

5.1.7.1 **Curriculum Integration:** Works with academic teams to integrate industry-relevant training into the curriculum, ensuring students are well-prepared for the job market.

5.1.7.2 **Custom Training:** Develops and delivers customized training programs based on emerging industry trends and employer requirements.

5.1.8. Preparation and Support:

5.1.8.1 **Mock Interviews:** Conducts mock interviews and group discussions to help students practice and refine their skills before actual interviews.

5.1.8.2 **Support Services:** Provides one-on-one support for students facing challenges in the placement process, including resume reviews and interview coaching.

5.1.9. Motivational Support:

- 5.1.9.1 **Encouragement:** Encourages and motivates students throughout the placement process, helping them stay focused and positive despite challenges.
- 5.1.9.2 **Career Guidance:** Offers continuous guidance and support to help students navigate their career paths effectively.

5.1.10. Tracking Progress:

- 5.1.10.1 **Placement Statistics:** Monitors and tracks placement statistics, including the number of students placed, average salaries, and companies recruiting.
- 5.1.10.2 **Reporting:** Provides regular reports to the institution's management on placement outcomes, student feedback, and industry trends.

5.1.11. Continuous Improvement:

- 5.1.11.1 **Process Evaluation:** Regularly evaluates the effectiveness of training and placement processes, making improvements based on feedback and changing market conditions.
- 5.1.11.2 **Curriculum Feedback:** Shares industry feedback with the academic team to ensure the curriculum remains relevant and up-to-date.

5.1.12. Compliance and Ethics (Ethical Standards) :

- 5.1.12.1 **Professional Conduct:** Ensures that all placement activities are conducted ethically and professionally, maintaining the integrity of the process.
- 5.1.12.2 **Compliance:** Adheres to institutional and industry standards, ensuring compliance with all relevant regulations and guidelines.

In short, the CRC team is integral to the success of PGDM students by providing career guidance, facilitating internships and placements, building industry relationships, managing the placement process, and offering continuous support. Their efforts help bridge the gap between academic learning and professional employment, ensuring that students are well-prepared for their careers and have access to valuable job opportunities.

5.2. Guidelines for the students (Receiving an opportunity):

- 5.2.1. All students are eligible for placement opportunities unless delisted due to poor academic performance or misconduct for example students should not have any active backlogs while appearing for internships or final placements interviews.
- 5.2.2. Placement opportunities are communicated via email/WhatsApp/ERP (DIGII portal). Students are required to check these regularly. Notifications through ERP, WhatsApp or email are final; claims of missed communications will not be entertained.
- 5.2.3. Students may arrange their own Summer Internships but must inform CRC and provide details for authentication. Unauthorized internships will not be considered for program requirements.
- 5.2.4. Details required for self-arranged internships include organization name, HR contact, project theme, and internship dates.
- 5.2.5. Students must attend all scheduled meetings/interviews. Missing to apply in four or more opportunities will result in delisting from the placement process.
- 5.2.6. Students are allowed a maximum of UNLIMITED interview opportunities.
- 5.2.7. Selection in the first job offer will be considered as final placement, and the student will be removed from future placement activities. Special cases may be reviewed by the Additional Director.
- 5.2.8. Attendance in CRC & L&D training programs (preparatory sessions) is mandatory for placement consideration. 100% attendance is required unless an absence is specifically permitted by CRC & L&D.
- 5.2.9. Students must have a cumulative class attendance of 80% or above to be eligible for placement assistance. Attendance records will be maintained by the PGP Office/PGP Office.
- 5.2.10. Misconduct during SIPs will lead to disqualification from the final placement program. Students should keep track of their resume submissions and respond promptly to communication from CRC/L&D. Missing meetings or interviews will be addressed as per placement rules.
- 5.2.11. Misconduct or indiscipline will be handled according to institutional rules.
- 5.2.12. Final Year students must attend all Pre-Placement Talks (PPT). Attendance will be monitored, and recommendations for any disciplinary issues will be submitted to CRC for approval.

5.3 Applying for an opportunity:

- 5.3.1. Students must apply as instructed via email or ERP (DIGII portal). Consult with the CRC for any clarifications before applying.
- 5.3.2. Once applied, decisions cannot be reversed. Apply with conviction and consult faculty mentors or CRC members for job description clarity.
- 5.3.3. Students who do not apply for suitable roles for an extended period may be directed to specific opportunities by CRC.
- 5.3.4. Applying does not guarantee shortlisting; CRC cannot provide reasons for non-selection. However, feedbacks from organizations can be shared as and when available.

5.4 Appearing in recruitment process:

- 5.4.1. Shortlisted students must attend recruitment processes as directed by CRC. Processes may be on-campus, off-campus, or virtual. Requests for rescheduling will not be entertained.
- 5.4.2. Recruitment processes are managed by the recruiter, including any delays or cancellations. CRC will update students but is not responsible for process changes.
- 5.4.3. Students must be well groomed and dress formally as per the standards set by the institute and arrive at least 30 minutes early. Late arrivals may be disqualified.
- 5.4.4. Maintain decorum and discipline during recruitment processes. Any indiscipline may lead to removal from placement activities.
- 5.4.5. Provide feedback to CRC after the recruitment process as requested.

5.5 Selection in a job:

- 5.5.1. Once a job offer is extended, students must accept it and submit an NOC to CRC.
- 5.5.2. Students must join the organization on the specified date and clear all institutional dues before joining.
- 5.5.3. Post-joining issues are governed by the organization's HR policies, and the institute has no role in such matters.
- 5.5.4. CRC will address feedback regarding discrepancies in the offer letter. Issues related to work conditions will not be entertained.
- 5.5.5. Failure to pass post-offer requirements (e.g., medical tests) will absolve the institute from further placement support.

5.6 Giving another chance to a student:

- 5.6.1. Students may receive another chance if the recruitment result is not declared or the organization has not confirmed the joining date.
- 5.6.2. Opportunities will be extended to all students once 100% placement is achieved for the academic year.
- 5.6.3. Additional Director's approval is required for additional chances.

5.7 Debarment Rules:

- 5.7.1. Submission of false information will lead to permanent debarment.
- 5.7.2. Skipping three consecutive processes will result in automatic removal from placement activities.
- 5.7.3. Use of unfair means or plagiarism will lead to debarment.
- 5.7.4. Students with disciplinary actions or active academic backlogs are not eligible for placement activities.
- 5.7.5. Professionalism and ethical behaviour are required. Misconduct will lead to debarment.

5.8 Dream Offer

- 5.8.1. Students with offers exceeding 150% of the current offer may be granted a second chance. A maximum of three additional chances is permitted.

5.9 Grievance Handling

- 5.9.1. The CRC team will prioritize and address student grievances, queries, and feedback.
- 5.9.2. Students should raise their concerns during open house sessions conducted by CRC.
- 5.9.3. We maintain an open-door policy, allowing students to approach the CRC team, the Dean, the General Manager and the Additional Director with any questions or concerns they may have.

5.10 Internship Guidelines

- 5.10.1. The CRC department at GIMS is dedicated to assisting students in securing internships. If students choose to independently pursue an internship opportunity, they must submit the complete company details to the CRC for approval. Only after receiving CRC approval will students be eligible to obtain the NOC for further processing.

- 5.10.2. NOC requests for internships will only be processed by the CRC upon receiving the necessary information from students pursuing self-sourced internships.
- 5.10.3. Students who are trying their internship on their own are required to submit the Internship confirmation letter either hard copy or soft copy by email to the CRC.
- 5.10.4. If a student is participating in multiple internship processes, either through the CRC or independently, they must accept the internship offer from the process that results in a confirmation first. Students securing an internship on their own must submit the confirmation letter to the CRC immediately to avoid further participation in campus recruitment processes.
- 5.10.5. Students applying for Summer Internship opportunities through the college are required to attend the selection process. Any student who is absent without prior notice will be disqualified from further participation in the summer internship placement.
- 5.10.6. Once selected for an internship, students are not permitted to withdraw from the position. Engaging in any unauthorized alternate internships will lead to disqualification from the project.
- 5.10.7. The Summer Internship Program (SIP) is scheduled to begin immediately after the completion of the 3rd trimester exams.
- 5.10.8. According to the academic curriculum, students are required to complete a minimum of six months of internship.

5.11 Important Note:

- 5.11.1. Academic Eligibility: Any academic backlog, including in the SIP, will render
- 5.11.2. students ineligible for participation in the campus Final Placement process.
- 5.11.3. Recognition for PPOs: Students receiving Pre-Placement Offers (PPOs) from their respective organizations will be duly acknowledged and rewarded by the institute for their accomplishments.
- 5.11.4. Importance of Internship: Internship should be taken with extreme seriousness by all the students. This not only helps students on their exposure towards organizational happenings, but also, its significant to note that a fresher is mostly questioned from their Summer Training during Final Placement Processes.
- 5.11.5. Faculty Mentorship: Each student will be assigned a faculty mentor to oversee their internship progress. Students are expected to maintain consistent communication, seek guidance, and provide regular updates to their mentors.

6. Learning and Development

6.1. Introduction

6.1.1. The Learning and Development Department with an aim of bridging the gap between academia and industry has been in the forefront of activities, taking campus close to the corporate and encouraging students to establish corporate skills through skill enhancement training programs. The department consists of dedicated professionals who sincerely believe in imparting comprehensive training to the students to face the challenges of the dynamic and demanding job market and build a successful career for themselves.

6.2. Objective:

- 6.2.1. The objective of Learning and Development (L&D) at GIMS is to significantly enhance the employability skill sets of students, ensuring they are well-prepared for the competitive job market. The department involves a comprehensive approach to developing both hard and soft skills essential for professional success.
- 6.2.2. Under the banner of L&D, the institute aims to provide students with a robust foundation in core management principles, while also integrating practical experiences through internships, live projects, and industry interactions.
- 6.2.3. Key areas of focus include fostering critical thinking, problem-solving abilities, and analytical skills to enable students to tackle complex business challenges. Effective communication, leadership, and teamwork are emphasized to prepare students for collaborative and leadership roles in diverse organizational settings. Additionally, the institute prioritizes the development of technical proficiencies and digital literacy to keep pace with the evolving technological landscape.

6.3. Employability Skills Index (ESI)

- 6.3.1. ESI is a critical component of L &D and career readiness for any student.
- 6.3.2. The institution and workforce communities are increasing their focus on how these skills can be embedded into Instructional practice at all levels and in all content areas during the journey of the PGDM programme.
- 6.3.3. The ESI defines the employability skills as the “general skills”, that are necessary for the success in the service market at all employment levels and in all sectors.”
