Date: 25th July, 2025

Summary:

The Internal Quality Assurance Cell (IQAC) at the institute has continued its mission of strengthening academic processes, accreditation compliance, and institutional quality enhancement during the academic year 2024-25. Below is a summary of key initiatives and accomplishments under various quality heads:

1. HL-ACT Process Completed Successfully

The **Higher Learning Accreditation Consultant & Training (HL-ACT)** engagement was executed successfully to support the institution's strategic quality assurance and accreditation planning.

- Institutional readiness assessment conducted for NBA/NAAC frameworks.
- Capacity-building sessions and workshops organized for faculty and administrative staff.
- Compliance audit of academic and administrative data.
- Gap analysis and action plan designed for continuous improvement.

Outcome: Strengthened preparedness for accreditation processes and enhanced internal awareness of quality benchmarks.

2. Rankings Nominations Submitted

The IQAC facilitated nominations and data submissions for various national and institutional rankings, including:

Work Undertaken:

- Data validation across placement, academic, faculty, research, and student development indicators.
- Cross-departmental coordination for information gathering.
- Timely online and offline submissions with required documentation.

Outcome: Improved institutional visibility and positioning in national academic rankings.

3. Exam Audit Completed for Term 1 & 2

IQAC conducted academic audits for Term 1 & Term 2 to ensure exam process integrity and learning outcome alignment.

- Audit included: question paper quality, moderation records, evaluation timelines, and student result trends.
- Reports were compiled and submitted to the academic council.

Outcome: Strengthened exam governance and assurance of fair evaluation mechanisms.

4. Exam Audit Completed for Term 2 & 4

A follow-up and independent audit were conducted for Term 2 and Term 4 of the current academic cycle.

- Emphasis placed on mapping Course Outcomes (COs) with internal assessment tools.
- Examination process monitored end-to-end, from question paper setting to result analysis.

Outcome: Enhanced credibility and transparency in the academic assessment cycle.

5. Curriculum Audit for AY 2025-27

- IQAC facilitated and reviewed the curriculum design process for AY 2025-27.
- Key interventions included:
 - Revision of existing syllabus based on industry consultation.
 - Integration of experiential learning components.
 - Curriculum aligned with Outcome-Based Education (OBE) and NEP 2020 mandates.

Outcome: A forward-looking, skill-enhancing, and interdisciplinary curriculum ready for implementation.

6. NBA Filing Process Initiated

- IQAC consolidated and filed program data and institutional information for NBA accreditation.
- Prepared supporting documents such as faculty credentials, academic calendars, and student feedback reports.

Outcome: Smooth and structured documentation process to support accreditation submissions.

7. NBA Pre-Qualifier Submitted Successfully

- A pre-qualifier document was submitted post-validation of mandatory criteria.
- Detailed analysis of institutional compliance was presented, including student-faculty ratio, infrastructure, and learning outcomes.

Outcome: Institution qualified for the next level in the NBA accreditation process.

8. NBA SAR Submitted on Time

- SAR (Self-Assessment Reports) for all relevant programs were compiled and submitted as per NBA timelines.
- Emphasis on continuous improvement, CO-PO mapping, and stakeholder engagement.

Outcome: Timely and comprehensive submission ensured that the accreditation cycle remained on track.

Conclusion:

The IQAC has played a central role in maintaining and enhancing quality standards across the institution. The successful implementation of HL-ACT consultation, curriculum reforms, examination audits, and NBA-related submissions reflect the institution's ongoing commitment to excellence and accountability.
