Editor's Desk

Dear Readers,

As we move into August, it's a time to reflect on our recent achievements and set our sights on the exciting opportunities ahead. This month, we have several highlights to share that underscore the dynamic community at GIMS.

Our faculty and students have been making remarkable progress in their respective fields. In this edition, you'll find insightful articles about recent research advancements, impactful projects, and notable guest lectures that have enriched our academic environment.

We are also thrilled to celebrate the success of our alumni, whose achievements continue to inspire us all. Additionally, August marks the beginning of new academic sessions and the start of a fresh chapter for many of our students.

As we welcome the new cohort, we are excited about the innovative ideas and perspectives they bring to our institution.

We encourage you to dive into this month's content, engage with the stories, and be a part of the vibrant dialogue that defines GIMS. Thank you for your continued support, and here's to a productive and inspiring August!

ALUM OF THE MONTH

Aug, 2024

Ms. Shweta Singh

Deputy Manager
Kotak Mahindra Pvt. Ltd

ALUM OF THE MONTH

1. Can you please share for which company you are currently working and your designation within the same organization?

I am currently working in Kotak Mahindra Bank Ltd as Deputy manager.

2. How has GIMS played a pivotal role in assisting you in achieving your career goals? Are there any specific experiences or resources from your time at GIMS that you found particularly beneficial?

GIMS played a pivotal role in shaping my career trajectory. The Comprehensive curriculum, coupled with practical experiences like internships and industry based live projects, informative events, case study competition based on corporate live challenges, provided a robust foundation in business management. Under the mentorship of experienced faculty, I honed my analytical and leadership skills within a vibrant academic environment.

3. Remembering your time at GIMS, were there any specific challenges or areas where you felt there was a lack of opportunities or resources that you believe could be improved for current students?

GIMS needs to place greater emphasis on communication and analytical skills. Short-term courses such as Excel and Financial Modelling, offered through 2 or 3 day workshops, are not sufficient for finance students. These subjects should be integrated into the curriculum and should span at least two semesters.

4. Do you have any suggestions for enhancing our academic curriculum? Specifically, which subjects or areas do you think could significantly benefit the juniors in terms of career advancement and skill enhancement?

Since my specialization was finance, I would like to give suggestion on finance part. GIMS should include certificate like chartered financial analyst (CFA), Financial Risk manager (FRM), Financial modelling, portfolio management, Entrepreneurial Finance. GIMS should focus on In-depth knowledge of financial concepts and theories, Practical skills in financial analysis, modeling, and decisionmaking, Understanding of global financial markets and institutions, Familiarity with fintech and digital payments. And on the part of curriculum, it is recommended that GIMS introduce more specialized programs that align with current industry trends and demands, thereby enhancing the employability and career prospects of its students.

5. What would you like to advise the college to undertake in order to equip the students well for this dynamic professional world?

Comprehensive Advice:

To prepare students for the dynamic professional world, I recommend the following improvements to the college curriculum:

- **Incorporate trending subjects:** Include courses on emerging technologies like artificial intelligence and blockchain.
- **Provide practical exposure:** Offer summer and winter internships, as well as project-based learning opportunities.
- **Build industry partnerships:** Collaborate with companies for real-world projects and case studies.
- **Invite industry leaders:** Host interviews and guest lectures by professionals in the field.

Soft Skills Development:

- **Offer training:** Provide workshops on emotional intelligence, teamwork, and leadership skills. By implementing these changes, the curriculum will better align with current industry trends and demands, thus enhancing students' employability and career prospects.

6. We are eager to learn more about your corporate journey. Could you walk us through your professional experiences, from your initial career steps to your current role?

I have joined Kotak Mahindra Bank Ltd as Deputy Manager in the Construction Equipment Department, where I am responsible for managing relationships with corporate clients. Now I have completed 1 year 4 months.

7. As an accomplished professional, what advice would you like to offer to your juniors at GIMS who are embarking on their career journey?

Two important quotes to remember:

"Confidence and calmness are key." "Learn, relearn, and unlearn."

My advice to juniors is:

- Develop a strong understanding of your specialization's fundamentals.
- Stay updated on market trends and business news.
- **Consistently engage in:**
 - Building a professional network
 - Attending workshops and seminars
 - Working on your communication skills
 - Watching videos on real-world case studies of companies facing challenges.

Sustainable Development for a Developed Bharat

Bharat's path to becoming a developed nation hinges on sustainable growth that balances economic progress, environmental protection, and social inclusiveness. India's commitment to reducing carbon emissions by 33-35% by 2030, as per the Paris Agreement, underscores this effort.

With over 120 GW of renewable energy installed in 2023, India is on track to reach 500 GW by 2030, with solar power playing a key role. Urban initiatives like the "Smart Cities Mission" promote eco-friendly living, while sustainable agriculture programs like Pradhan Mantri Krishi Sinchayee Yojana enhance water use in farming.

Social inclusion is fostered by initiatives such as Pradhan Mantri Jan Dhan Yojana and "Beti Bachao, Beti Padhao," promoting financial access and gender equality. Efforts like Project Tiger reflect India's dedication to biodiversity, balancing conservation with industrial growth.

Sustainable development is Bharat's route to a prosperous and inclusive future.

Warm Regards

Dr. Imad Ali

Professor,
Area Chair (SCM)

TUTELAGE 3.0

For the students of the PGDM Batch 2023-25, GIMS, Greater Noida, Delhi/NCR had the privilege of hosting the third Masterclass with Mr. Sonu Sharma, a renowned corporate trainer and motivational speaker. His dynamic session left a lasting impact on students, offering invaluable insights into personal and professional development.

In his engaging talk, Mr. Sharma covered critical topics such as the importance of self-awareness, resilience, and the need for continuous growth in both career and personal life. He emphasized that success in the corporate world isn't just about technical skills but also hinges on one's ability to adapt, communicate effectively, and remain resilient in the face of challenges.

Mr. Sharma shared actionable strategies on how students can leverage effective communication to thrive in their careers, highlighting that the ability to convey ideas clearly and build strong professional relationships is key to climbing the corporate ladder. His practical advice encouraged students to develop a mindset focused on constant improvement, reminding them that every challenge is an opportunity for growth.

The Masterclass was a powerful learning experience that resonated deeply with the students, equipping them with the mindset and tools necessary to navigate the evolving corporate landscape with confidence and clarity.

Corporate Readiness Workshop- "From Resume to Role" Series 2.0

The Corporate Readiness Workshop, hosted by GIMS Greater Noida/Delhi-NCR for the PGDM Batch 2023-25, was a resounding success. The event featured distinguished speakers Mr. Harpreet Singh, Founder & CEO of F2 Fintech, and Mr. Abhinav Awal, Co-Founder & MD of F2 Fintech, who shared their extensive knowledge and expertise in the financial sector. Their insights provided students with essential tools and strategies to enhance their financial understanding, build confidence, and excel in the professional world.

The workshop, part of the "From Resume to Role" Series 2.0, offered students an invaluable opportunity to hear directly from industry leaders about the critical skills required for success in the corporate environment. The sessions covered key topics such as crafting compelling resumes, mastering interview techniques, understanding personal branding, and smoothly transitioning from academic life to a professional career.

The practical lessons learned from these sessions are expected to significantly benefit students as they prepare to enter the workforce.

The focus on resume building, effective interview strategies, and personal branding provided a comprehensive guide to making a successful first impression in the corporate world. Additionally, students were equipped with the tools necessary to navigate the complex transition from academia to industry with confidence and clarity.

We are deeply grateful to our esteemed mentors for sharing their valuable expertise and guiding our students through this crucial stage of their career journey. Special thanks go to Dr. Aparajita Prasad, a seasoned business leader; Mr. Himanshu Shukla, General Manager of Jio Platforms Ltd.; and Mr. Harsh Raghubanshi, an HR expert (formerly with Aditya Birla Group and LTIMindtree). Their mentorship and real-world advice have provided students with a solid foundation to make informed decisions as they embark on their professional careers.

The event reinforced GIMS' commitment to preparing its students for the challenges of the modern workplace by ensuring they possess the knowledge and skills necessary to thrive in a competitive environment.

“Simulation-Based Case Study Analysis Competition” Organized by Abhyuday-The OB & HR Club

On Saturday, August 10, GIMS, Greater Noida, Delhi/NCR, hosted an exciting event organized by Abhyuday, The OB & HR Club for the PGDM Batch 2024-26. The highlight of the day was a Simulation-Based Case Study Analysis Competition, where students engaged in real-world business scenarios through role-playing activities. This unique competition provided a platform for participants to demonstrate their critical thinking and problem-solving abilities in tackling workplace challenges.

The event was graced by esteemed alumni, Mr. Deepak Dubey, Ms. Puja Kumari, Mr. Prateek Rawat, Ms. Monika Goswami, and Ms. Shweta Singh, who served as judges. Their diverse expertise across industries gave students the chance to receive invaluable feedback and guidance, enriching the learning experience.

The competition involved simulation-based case studies that tackled crucial workplace themes such as conflict management, workplace bullying, and various personality aspects. Students used role-playing to showcase their ability to analyze complex situations, adapt behaviors, and apply problem-solving techniques. By recreating real-world business environments, the participants learned to navigate challenges effectively, emphasizing the importance of communication, collaboration, and leadership.

The Simulation-Based Case Study Analysis Competition offered valuable real-world experience, allowing students to engage in complex workplace scenarios that enhanced their understanding of HR challenges. Participants developed essential conflict management skills and showcased their ability to solve problems, particularly regarding issues like workplace bullying and personality clashes. The event provided critical feedback from industry professionals and alumni judges, which further enriched the learning experience. Additionally, the competition fostered the enhancement of soft skills such as communication, collaboration, and leadership, preparing students to navigate the dynamics of modern workplaces effectively.

The Independence Day Celebration

On August 14th, the student organizers of Sanskriti: The Art & Cultural Club at GIMS, Greater Noida, Delhi/NCR, proudly commemorated 78 years of independence with a vibrant celebration titled स्वतंत्रता-प्रगति की ओर (Festival of Freedom: Towards Progress). The event was marked by tremendous fervor and passion, reflecting the spirit of patriotism and national pride that resonated throughout the campus.

The celebration featured a variety of performances and activities that showcased the nation's advancements toward the "Viksit Bharat" (Developed India) mission. Students presented skits, songs, and dances that not only highlighted India's rich cultural heritage but also emphasized the collective journey toward national development and unity. Through these acts, participants expressed their dedication to contributing to the nation's progress and inspiring others to do the same.

A particularly heartwarming segment of the event recognized final-year students involved in a live project with SKVS (Sarv Kalyan Vikas Sansthan), an NGO committed to community development. These students were acknowledged for their exceptional contributions and dedication to social causes, reinforcing the importance of giving back to society and embodying the spirit of service that independence represents.

The atmosphere on the GIMS campus was filled with joy and enthusiasm, as students, faculty, and staff came together to celebrate this significant occasion. The sense of patriotism and camaraderie was palpable, fostering a community spirit that united everyone in a shared appreciation for the freedoms and opportunities that independence brings.

The Independence Day celebration not only served as a reminder of the sacrifices made for the nation's freedom but also inspired all attendees to reflect on their roles in contributing to a brighter future for India. Through the creativity and passion displayed during the event, the GIMS community reinforced its commitment to nurturing responsible leaders who are dedicated to the principles of progress, inclusivity, and national pride.

Second Impact Lecture Session: Idea Execution – Planning & Preparation

On August 23, 2024, GIMS, Greater Noida, Delhi/NCR, in collaboration with the Institution's Innovation Council (IIC), successfully organized the Second Impact Lecture Session focused on "Idea Execution: Planning & Preparation" for the PGDM Batch 2023-25.

The session featured Mr. Mahendra Kumar Gupta, CEO of the esteemed not-for-profit technology company incubator, INurture Incubation Foundation, as the resource person. Mr. Gupta shared invaluable insights into the essential components of organizing, preparing, and executing a business idea. His expertise guided participants through the critical steps required to transform innovative concepts into actionable business plans.

This interactive workshop allowed students to engage directly with Mr. Gupta, fostering a dynamic learning environment where they could ask questions and discuss strategies. Participants left with a deeper understanding of how to formulate effective business plans and the best techniques for successful idea execution.

This session was a significant step in GIMS's ongoing commitment to equipping students with the knowledge and skills necessary for entrepreneurial success, further enhancing their readiness to thrive in today's competitive business landscape.

Samrik Talk Series: Developing Future Leadership

GIMS, Greater Noida, Delhi/NCR, proudly hosted the Samrik Talk Series on August 24th, centered on the theme "Developing Future Leadership: Translating Crisis Management and Decision-Making."

We were honored to welcome Dr. Heera Lal Patel, Special Secretary of the Irrigation & Water Resource Department, Government of Uttar Pradesh, and Mr. Anurag Chandra, a passionate Cyber Security Enthusiast and Information Security Officer, as our distinguished resource persons for the session. Their insightful talks were filled with learning, exploration, and motivation, providing valuable insights that will help shape the future of our budding managers.

The session highlighted the following key takeaways for students:

- 1. Be Prepared:** Always be ready to engage and contribute wherever you go.
- 2. Passion into Profession:** Convert your passions into your career to achieve fulfillment and success.
- 3. Innovative Thinking:** Approach challenges with a fresh perspective—do the same thing differently.
- 4. Sustainability Awareness:** Recognize our dual responsibility towards our biological mother and Mother Earth; return what we consume.
- 5. Social Management:** Understand that social management forms the foundation of effective commercial management.

The insights shared during the Samrik Talk Series will undoubtedly inspire our students as they navigate their journeys toward becoming future leaders.

“Pitch Perfect: The Ultimate Marketing Showdown”

The Marketing Club, Hashtag, at GIMS, Greater Noida/Delhi-NCR, recently announced our event, “Pitch Perfect: The Ultimate Marketing Showdown for the PGDM Batch 2024-26,” which took place on Saturday, August 24, 2024. During this interactive exercise, students assumed the role of marketers as they created captivating reels for fictitious products and presented their four Ps: promotion, pricing, place, and product. The event provided an excellent opportunity for students to showcase their marketing skills, strategic thinking, and creativity. We were honored to have the presence of alumni Mr. Yatharth, Ms. Navda, Ms. Mansi, Ms. Puja Kumari, Mr. Mojahid, and Mr. Sharad, and we look forward to more alumni engagements in the future.

Leadership Talk Series on "Navigating Success: A Dialogue with Today's Leaders"

The Leadership Talk Series: "Navigating Success: A Dialogue with Today's Leaders" was a highly anticipated event for the PGDM Batch 2024–2026, held on Saturday, August 31. This engaging session featured distinguished speakers, Mr. Jitu Singh Mandla, Chief Knowledge Officer at Khaitan & Co., and Mr. Anurag Gulati, Associate Director at Accenture. Their presence added immense value to the discussions, offering students a unique perspective on the qualities and strategies that define successful leaders in today's dynamic business environment. Throughout the session, Mr. Mandla and Mr. Gulati shared their insights on various leadership techniques, emphasizing the importance of adaptability, vision, and effective communication in navigating complex business challenges.

Their stories of personal and professional growth resonated with the students, inspiring them to embrace resilience and strategic thinking as essential tools for overcoming obstacles in their careers. Participants left the workshop not only with enhanced leadership skills but also with a renewed sense of purpose and confidence in their abilities to lead in the future.

In addition to the Leadership Talk Series, GIMS hosted the second Impact Lecture Session on "Idea Execution: Planning & Preparation" for the PGDM Batch 23–25 on Friday, August 23, 2024. This session was organized in collaboration with the Institution's Innovation Council (IIC) and featured Mr. Mahendra Kumar Gupta, CEO of INurture Incubation Foundation, as the resource person. Mr. Gupta provided valuable insights into the essential components of organizing, preparing, and executing a business idea.

During this interactive workshop, he highlighted the significance of strategic planning and preparation in bringing innovative ideas to life. Participants engaged in practical exercises that allowed them to develop their skills in crafting effective business plans, fostering a mindset geared towards execution and success. The session proved to be an invaluable experience, equipping students with the knowledge and tools needed to navigate the entrepreneurial landscape.

These events reflect GIMS's commitment to fostering a culture of leadership and innovation among its students, ensuring they are well-prepared to meet the challenges of the modern business world. Through the support of experienced industry leaders and focused learning experiences, GIMS continues to empower its students to become future-ready leaders.

“Corporate Leadership Conclave”

On August 10, 2024, GIMS, Greater Noida, Delhi/NCR, proudly hosted an engaging "Corporate Leadership Conclave" for the PGDM Batch 2023–2025. This dynamic event brought together industry leaders and experts to share their insights and experiences with students, facilitating a rich exchange of ideas and perspectives on contemporary leadership challenges.

The conclave featured two vibrant panel discussions, the first of which was chaired by Dr. Bhupender Kumar Som, Director of GIMS. This session included an impressive lineup of panelists: Mr. Manish S. Panjwani, CTO of Shriram Automall; Mr. Achyuta Ghosh, Senior Director at NASSCOM; Ms. Prashasti Rastogi, Senior Director of Coursera India; and Mr. Manhar Mohan Sharma, Director at Accour. The discussion focused on critical themes such as data-driven decision-making, the evolving role of technology in leadership, and strategies for navigating complex corporate landscapes. Each panelist shared personal anecdotes and case studies that illuminated the impact of these factors on organizational success, offering students practical knowledge they could apply in their future careers.

The second panel featured esteemed industry professionals, including Mr. Ashish Kumar from Tata Consultancy, Mr. Bikas Kumar Singh from SAP, Ms. Aparna Saroagi from NatWest Group, Mr. Rajeev Soota from USHA International, and Mr. Sudhir Dasamantharao from Boston Scientific. This session delved into the significance of adaptability and resilience in leadership, particularly in times of crisis and uncertainty.

The panelists discussed how successful leaders leverage their teams' strengths and foster a culture of innovation to drive growth and sustainability in their organizations.

Throughout the conclave, students were encouraged to engage actively with the panelists, asking questions and seeking advice on various career-related topics. The interactions provided them with valuable networking opportunities and helped bridge the gap between academic knowledge and practical industry insights.

The Corporate Leadership Conclave exemplified GIMS's commitment to developing future-ready leaders equipped with the skills, knowledge, and confidence to thrive in an ever-changing business environment. By facilitating dialogues between students and industry leaders, GIMS continues to enhance the educational experience, ensuring that its graduates are well-prepared to meet the demands of the corporate world.
