Nivea is a decade-old beauty routine and skin support brand headquartered in Hamburg, Germany. After many years of creation, the brand is spread over 173 countries around the world, with 50 products. Subsequently, it established its division in India, in 2005. The brand first began its cream-based production in 1911. Initially, it developed its stable oil-and-water skin cream, boomed as a brand with numerous products, and now is a household name globally.

Primarily, Nivea catered to women and marketed products that grabbed women's attention. Later, the brand repositioned itself and launched Nivea Men, and with its brilliant campaigns and meticulous marketing strategy the brand came out with flying colors..

Despite economic hardships and a competitive environment the brand continued to grow and initiated umbrella brands under Nivea, to name a few Nivea family, Nivea Men, and Nivea bath care.

It includes categories like *body care*, *face care*, *sun care*, *Nivea men* and many more in this category.

In recent years, Nivea has boarded various famous individuals for its campaigns on traditional media and digital media.

Digital Marketing Strategy of Nivea

Apart from actively branding their products on television, Nivea has a well-built social media presence with an incredible digital marketing strategy handled by Madison Media Omega. Let's take a look at the digital marketing strategy followed by Nivea:

- It has 71.4K organic followers on Instagram, 23M followers and 6.3M followers on Nivea Men on Facebook, 25K followers on Twitter, 85K subscribers on YouTube, and 77K followers on LinkedIn
- The brand is quite active on Instagram with constant posting related to products, festivals, videos breaking myths, supporting causes, videos related to a skincare routine, and posts related to weather change
- In today's time, Online Reputation Management plays a huge role and the brand actively is in service for their consumer's queries and complaints, both on Instagram and Facebook
- Nivea has also benefited from Influencer Marketing which was its debut in the Tik Tok era of India. The #ShareTheCare challenge saw well-known TV/Film personalities and influencers like Genelia D'souza Deshmukh and Anita Hassanandani Reddy who were followed by various micro and macro-influencers on social media
- The brands also associated with influencers like Sameera Reddy and Karanveer Bohra's twin babies Bella and Vienna for #HaveFunWithYourKids
- YouTube and Facebook are mostly used to update its consumers with new advertisements and launch of new products
- Looking at Twitter, it is still a little underdeveloped in comparison with other social media apps
