Q.1	Marks	CO
(A)	4	CO – 1
(B)	4	CO – 1
(C)	4	CO – 1
(D)	4	CO – 1
(E)	4	CO – 1

SECTION-B**Attempt all questions out of the following: (Long Answer Type Questions)**

Q. No	Marks	CO
2 (A)	6	CO – 1
2 (A)	6	CO – 1
2 (B)	6	CO – 2
2 (B)	6	CO – 2
3 (A)	6	CO – 2
3 (A)	6	CO – 2
3 (B)	6	CO – 2
3 (B)	6	CO – 2

SECTION-C**Attempt all parts of the following: (Caselet / Numerical)**

Q.4	Marks	CO
4 (A)	8	CO – 3
4 (B)	8	CO – 3

SECTION-C

CASE - Repatriates Co-operative Bank

Repatriate Co-op Bank is located in a town with a population of about 2 lakh. Its two main competitors were Bharat Co-operative Bank Textile Workers Co-op Bank. The size of all the three banks in terms of number of shareholders, assets, were more or less the same. Interest offered on S.B and F.D were more or less the same.

The main services offered by Repatriate Co-op Bank were savings bank, vehicle and personal loan, mortgage loan, Jewel loan etc. The bank had an ATM operating 24 hours. The services offered by other two banks were also similar.

Since services offered by all the three banks were similar, the board of directors of Repco Bank decided to find, loyalty of current customers to the bank. The bank also wanted a measure of how customers perceive the various services offered by the institution.

In the light of the above, the company appointed a leading market research agency to conduct a survey among 2,000 current customers. The decision of the bank was that, if this survey indicates anything worthwhile, a similar survey would be conducted on current non-customers too.

The following was the specific information sought by the bank from the M.R agency:

What percentage of the current bank customers of Repco Bank use the services of competitors for one or more services?

For which service of the competitors does the current customer go?

Of the two competitors, who has the largest percentage of Repco Bank customer as their customers as well?

How do the Repco Bank customers perceive the following attributes of the bank?

- a) Locational advantage
- b) Quickness
- c) Ambiance
- d) Convenience of working hours
- e) Courtesy of Staff
- f) Correctness/Accuracy
- g) Use of Technology
- h) How important is each of the above to Repco customers?
- i) Do the above attributes have any relations with age, education, sex, annual income, numbers of years of association with Repco Bank?

A mail questionnaire has to be sent to the respondents of Repco Bank, along with a covering note and reply envelope.

Q.4. Attempt all parts of the following:

(2×8=16)

4(a) Design a suitable questionnaire, along with the covering note with all the necessary instruction to the respondents.

4(b) Is Mail questionnaire suitable? If not, what alternatives is available? Discuss their advantages and disadvantages.
