SECTION-C

IFFCO Tokio GENERAL INSURANCE is one of the India's Largest Insurance providers. IFFCO Tokio is an organization with a qualified team of professionals working together, sharing views and ideas with passion to accomplish a common goal "To be an industry leader in India". The business environment they work in is dynamic with a high degree of competition. To achieve their goal in such a situation, they must constantly challenge themselves to higher levels of individual and group performance. And thus, Performance Management becomes a key organizational priority.

Challenges:

IFFCO Tokio contacted Empxtrack with four pressing issues:

- A) Their performance management content was inconsistent, i.e. the goals varied individual to individual. The guidelines were there but could not be adhered with excellence on papers.
- B) The process consumed a lot of time discouraging the employee to participate, and they would come up with creative excuses every time.
- C) The new age employees who were accustomed to computers hated and avoided writing papers. Some of them used Word Document, but it also created a mess.
- D) Reporting was cumbersome for HR and the management. Digging out simple intelligence out of the system required mammoth efforts. The answer to some performance questions could never be answered.

Q.4. Attempt all parts of the following:

(2×8=16)

4(a) Discuss challenges in the performance management system for Iffco Tokio

4(b) Discuss and explore some new system of performance appraisal system that the company can adopt for motivating the employees through an effective performance management system.
