(TRIMESTER –VI) END TERM EXAMINATION, MAY - 2025
BUSINESS ETHICS AND CORPORATE SOCIAL RESPONSIBILITY

[Time: 2 Hours]

[Maximum Marks: 60]

INSTRUCTIONS:

- (i) There are **THREE** sections in this question paper.
- (ii) Attempt questions from each section as per the directions.
- (iii) Make suitable assumptions wherever necessary.

SECTION-A

(Short Answer Type Questions, do not exceed 150- 200 words)

Q.1. Attempt all parts of the following:

(5X4=20)

- a) How is ethics different from law? Give one example.
- b) How does company law enforce ethics in business?
- c) What is a dilemma? Give an example of an ethical dilemma in business.
- d) How does religion influence a person's values and ethical behaviour?
- e) What do you mean by Corporate Social Responsibility (CSR)?

SECTION-B

(Long Answer Type Questions, do not exceed 300- 400 words. Each Question carries 10 Marks)

Q.2. Attempt ANY TWO questions out of the following:

(10X2=20)

- a) Explain the importance of Corporate Social Responsibility (CSR). How does CSR contribute to social and environmental sustainability? Mention legal provisions that enforce CSR.

OR

- b) Compare ethics and business ethics? Why do organizations need ethical values, and how do they contribute to corporate success?

Q.3.

- a) What challenges do managers face when dealing with ethical dilemmas? What are the key decision-making steps they should follow?

OR

- b) What is the relationship between law and ethics in the context of business. How do they complement and conflict with each other in real-world business practices? Support your answer with relevant examples.

SECTION-C

(Caselet, do not exceed 300- 400 words)

Q.4. Attempt all parts of the following:

(10X2 =20)

- a) Case Study 1: Pollution vs. Profitability

Background:

An Indian textile manufacturer, EcoTex, has been discharging untreated waste into a nearby river to reduce operational costs. A new environmental law requires companies to install waste treatment plants, which will cost ₹50 crores. The board is reluctant to invest, fearing lower profit margins.

Dilemma:

The operations director must decide whether to comply with the law immediately or delay the investment, continuing current practices for another year.

Ethical Considerations:

- 1. Does environmental protection outweigh financial concerns?
- 2. Summarise how does The Environment Protection Act, 1986 influence this decision?

OR

- b) Case Study 2: CSR vs. Shareholder Pressure

Background:

An Indian pharmaceutical company, MedCure Ltd., has been donating 5% of its annual profit to healthcare charities as part of its CSR initiative. However, due to a recent profit decline, major investors are demanding that the company cut CSR spending to increase dividends.

Dilemma:

The CEO must choose between maintaining CSR commitments or reducing social contributions to satisfy shareholders.

Ethical Considerations:

- Should companies prioritize social welfare over investor returns?
- Summarise how does Section 135 of the Companies Act, 2013, which mandates CSR spending, impact this decision?
