SECTION-C

GreenGrove, an organic grocery store in Ahmedabad, aimed to increase website traffic and boost online orders by implementing a comprehensive SEO strategy. To achieve this, they focused on several key tactics: keyword research, blog posts, optimizing their Google My Business profile, and improving their website speed.

By strategically choosing high-traffic keywords relevant to their organic products, GreenGrove's website saw an 80% increase in visits, significantly enhancing their online presence. As a result, the store managed to rank first on Google for six targeted keywords, directly increasing visibility and attracting more customers.

This SEO approach not only helped GreenGrove reach a broader audience but also led to a higher conversion rate.

Q.4. Attempt all parts of the following:

(2×10=20)

Q.1. Identify the key SEO practices that helped GreenGrove improve its online visibility. How did each tactic contribute to the overall success of the SEO strategy?

Q. 2 Develop strategy which involves a blog supporting SEO efforts for local businesses like GreenGrove.
