SECTION-C

The IL&FS Financial Crisis (2018)

In 2018, Infrastructure Leasing & Financial Services (IL&FS), a major player in India's infrastructure financing sector, defaulted on loan repayments worth thousands of crores. Investigations revealed poor corporate governance, excessive leverage, and opaque financial reporting. The management was accused of ethical lapses, including misrepresentation of financial health and conflict of interest in decision-making. The crisis led to panic in financial markets, severely impacting mutual funds, banks, and investors. The government intervened and replaced the board to restore confidence. The IL&FS case underscored the importance of transparency, accountability, and ethical leadership in maintaining financial stability.

Q.4. Attempt all parts of the following:

(1×5=5)

- 4(a)** Identify the ethical lapses that led to the IL&FS financial crisis? How did these affect investor's trust and the financial system?

OR

- 4(b)** Identify how poor corporate governance at IL&FS contributed to its collapse. Develop three ethical governance measures that could prevent similar corporate failures in the future.
